Learning Intentions

- CR isn't real
- they will always pull some bs you didn't expect
- you can always pull some bs back at them
- you don't have to be perfect, you just have to be fun
- they will never think through a problem they can hit instead

you will never own enough dice

"they'll never get a nat 20" always preceeds them getting a nat 20

even your strongest monster can roll a nat 1. and it will. every damn time

if you give it hit points, it can and will die
